Help with **St. Peter's Online**

For those who've asked for help with how to watch St. Peter's services (live or recorded) and how to watch the monthly podcasts, here's a quick summary.

1. In Google (or another search engine), **search** for St. Peter's Addingham, or **type** in the address of St. Peter's website : stpetersaddingham.org.uk
2. When you get to the website :

- If you're viewing on a **computer** screen, towards the top right you'll find **Online** – left click on this.

- If you are viewing on a mobile **phone**, at the top right you'll see 3 white horizontal lines. Touch these and swipe down to find **Online** – touch on this.

3. To **watch a service**, on the **Online** page under the Services heading select the blue **Watch on Facebook** button. This opens St. Peter's **Facebook** page. Scroll down it. (N.B. you don't have to be a Facebook user).

- If a service is currently being **livestreamed** you can watch and listen (check that mute isn't on).
- To watch a **previous service**, scroll down the Facebook page to find the recorded livestream of that service (or, on the **Online** page, select the blue **Previous Services** button)

4. To **watch a podcast**, on the **Online** page under the Podcast heading select the blue **Watch on Vimeo** button. This takes you to St. Peter's **Vimeo** page. Select the blue **Start watching** button to view the **latest podcast**, or search the list for any **previous podcast** and select it to watch.

Now you can join in services even from your holidays!

St. Peter's website and Facebook can also keep you in touch with what's coming up, and on the website you'll find lots of useful and interesting information too.

**There's a welcome here for everyone,
all ages from 1 to 100!**

What Else?
