## 25<sup>th</sup> January : **The conversion of St. Paul**

One of the special days we celebrate in January is the Conversion of St. Paul. Saul (as he was then known) was convinced that we are saved by sticking rigidly to the tenets of the Law, and was therefore violently opposed to the new teachings of Jesus and to all who followed them. It took a blinding encounter with the risen Jesus to open

his eyes that we are saved not by laws or by efforts of our own but by God's gift. Saul became Paul, his life transformed from

persecuting the Good News to sharing it. And although the revelation and the transformation came about through a blinding flash, it took Paul a lifetime of commitment to follow his new calling.

The same Lord who met with St. Paul on the road to Damascus meets with us every day, continually and little by little to re-make us into His image.

*Dear Father,*

*Like Saul, we so often cling to a wrong notion of what the life of faith involves.*

*Forgive us, and set us back on the right path.*

*Shock us out of our rigidity, intolerance or complacency;*

*open our eyes to see ourselves as we really are;  
transform our hearts so that, like St. Paul, we can  
live each day sharing the Good News of your love.*

*Amen.*

*(based on words of Fr Roger Landry)*

**There's a welcome here for everyone,  
all ages from 1 to 100!**
