C.a.f.e = Children and family event

A simple Wordsearch, for all ages

The words are all names of books in the New Testament. The names run horizontally and vertically, and don't overlap, go diagonally or backwards. (You'll notice that, where there is more than one book of the same name e.g. Paul's 1st and 2nd letters to the Corinthians, the name appears only once.)

Find these names :

Thessalonians Corinthians Philippians Revelation
Colossians Ephesians Galatians Philemon
Hebrews Matthew Timothy Romans James
Peter Titus Acts John Jude Luke Mark

Now : can you work out which name applies to both a book and some of the letters in the New Testament, though it only appears once in the Wordsearch? And, can you put all the names in the order in which they are collected in the New Testament?

Grab a Bible to see if you're right!

There's a welcome here for everyone,
all ages from 1 to 100!
